Task Management

Kanban, timeline, and collaborative execution

The screenshot displays the 'Task Board' interface for Nova Enterprises. The top navigation bar includes the company logo, name, and location (INR - Asia/Kolkata), a search bar, and a notification bell. A sidebar on the left lists various modules: MAIN (Dashboard), CRM (Leads, Customers, Pipeline, Products, Quotations, Invoices, Payments), Tasks (highlighted), Projects, Resource Planner, HR (HR Dashboard, Manager Dashboard, Directory, Employees, Teams), and a user profile for Rajesh Mehta, Organization Owner. The main area is titled 'Task Board' and shows 'Kanban view of open tasks' with a 'List view' toggle. The tasks are organized into four columns: 'To Do' (8 tasks), 'In Progress' (9 tasks), 'Review' (4 tasks), and 'Blocked' (1 task). Each task card displays the task description and the assigned owner.
